GreenView Preen the Weed Preventer

Precautionary Statements Hazards to Humans and Domestic Animals CAUTION

Causes moderate eye irritation. Harmful if swallowed, inhaled or absorbed through the skin. Avoid contact with eyes, skin or clothing. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID	
IF IN EYES:	<ul style="list-style-type: none"> Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
IF SWALLOWED:	<ul style="list-style-type: none"> Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
IF ON SKIN OR CLOTHING:	<ul style="list-style-type: none"> Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
IF INHALED:	<ul style="list-style-type: none"> Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferable mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For Emergency Medical Information call (888) 208-1368.

Environmental Hazards

This pesticide is extremely toxic to freshwater marine, and estuarine fish and aquatic invertebrates including shrimp and oyster. Do not apply directly to water. Do not apply in a manner which will directly expose canals, lakes, streams, ponds, marshes or estuaries to drift or runoff. Do not contaminate water when disposing of equipment washwaters or rinsate. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather will help to ensure that wind does not blow pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the garden will help to prevent run off to water bodies or drainage systems.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Product Information

GreenView Preen the Weed Preventer prevents most weeds from germinating in flower and vegetable gardens, in ground covers and around trees and shrubs. Although GreenView Preen the Weed Preventer will not kill existing weeds, it will prevent new listed weeds from sprouting - eliminating the need for difficult and time-consuming hand weeding. Without weeds, your valuable plants can grow larger and stronger. Your beds will stay neat all season long.

Precautions and Restrictions
 Not for use on plants being grown for sale or other commercial use, or for commercial seed production or for research purposes. For use on plants intended for aesthetic purposes, or climatic modifications and being grown in ornamental gardens.

Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application.

Do not apply to Ajuga, Myrtle or Pachysandra until it is well established, as injury may result. Do not apply GreenView Preen the Weed Preventer to muck soils or to soils containing more than 10% organic matter. Do not over-apply; injury may occur to subsequent crops which are sensitive to GreenView Preen the Weed Preventer. Do not use with crops other than those listed on this label. This product is not for use on lawns, nor for use in enclosed areas, such as greenhouses. To prevent possible staining to unintended surfaces, ex.: concrete, stone walks, vinyl surfaces, etc., sweep up stray granules as soon as possible.

Entry Restrictions

Do not allow people or pets to enter the treated area until dusts have settled. If product is watered-in, do not enter or allow others to enter the treated areas (except those involved in the watering) until the watering-in is complete and the surface is dry.

Annual Weeds Controlled

Grassy weeds:

Barley, Hare	Cheat	Fescue, Rattail	(from seed)	Texas	Sprangletop
Barnyardgrass	Crabgrass	Foxtail	Junglerice	Sandbur	Stinkgrass
(Watergrass)	Cupgrass:	Guineagrass	Lovegrass	Shattercane	Wildcane
Bluegrass, Annual	Southwestern,	Goosegrass	Oat, Wild	Signalgrass	Witchgrass
Brome	Woolly	Johnsongrass	Panicum: Fall,	(Brachiaria)	

Broadleaf weeds:

Carelessweed	Carpetweed	Henbit	Lambsquarters	Puncturevine	Purslane
	Chickweed	Knotweed	Nettle, Stinging	(Western U.S. only)	Pusley, Florida Thistle, Russian
	Goosefoot	Kochia	Pigweed		

When to Apply GreenView Preen the Weed Preventer

Apply GreenView Preen the Weed Preventer during the growing season around established plants and transplants. Do not use GreenView Preen the Weed Preventer on vegetable and flower seeds. It can be used after flowering plants have germinated and are 2-3 inches tall. GreenView Preen the Weed Preventer may also be incorporated into the soil when seeding vegetables or applied after mulching beds. Since it does not kill existing weeds, you must first remove any that have already begun to grow. By applying GreenView Preen the Weed Preventer as early as possible, you can eliminate the need for hand weeding. Rain does not wash this product out of the soil. Reapply GreenView Preen the Weed Preventer every 9-12 weeks.

How to Apply GreenView Preen the Weed Preventer

To avoid plant injury, do not apply GreenView Preen the Weed Preventer when foliage is wet. When plants are dry, sprinkle GreenView Preen the Weed Preventer on soil surface at rate given below for your specific planting situation. Once activated by watering or soil incorporation, GreenView Preen the Weed Preventer forms a weed control barrier in the top layer of soil, preventing weed seeds from germinating. Disturbance to the soil surface after activation may result in erratic weed control.

Applying Around Established Plants & Transplants

For flowers, roses, ground covers, ornamental grasses, shrubs, trees and listed vegetables at least 2-3 inches tall (see special section for use on vegetables): sprinkle GreenView Preen the Weed Preventer evenly over the entire soil surface, at the rate of 1 oz. per 10 sq. ft. (see picture on right), being sure to keep granules away from plant roots and foliage. Immediately water GreenView Preen the Weed Preventer into soil surface. If watering-in is not convenient, lightly rake into soil surface. Always wash or brush off stray granules from plant foliage to avoid damage or discoloration.

Surface Application Rate
 Sprinkle GreenView Preen the Weed Preventer as shown on soil surface.

Applying Greenview Preen the Weed Preventer with Mulch

For best weed control, apply GreenView Preen the Weed Preventer after spreading mulch on your flower and shrub beds. Sprinkle GreenView Preen the Weed Preventer on top of mulch at surface rate (see picture above), being sure to keep granules away from plant foliage. Immediately water GreenView Preen the Weed Preventer into mulch. If watering-in is not convenient, lightly rake into top layer of mulch. Always wash or brush off stray granules from plant foliage to avoid damage or discoloration.

For Use on Vegetables

First remove all existing weeds, then lightly rake to prepare a smooth soil surface. Uniformly mix GreenView Preen the Weed Preventer into the top 1-2 inches of soil immediately after application, using care not to damage any emerged crops. Rate of application depends on type of soil. Apply at 1 lb. per 640 sq. ft. for heavy clay-type soils, at 1 lb. per 960 sq. ft. for medium loam soils, and at 1 lb. per 1,280 sq. ft. for light sandy soils.

BEFORE Seeding: Broccoli, Brussels Sprouts, Cabbage, Carrots, Cauliflower, Celery, Collard, Black-Eyed Peas, Field Peas, Green Peas, Kale, Lentils, Lima Beans, Mustard Greens, Okra, Radish, Southern Peas (Cow Peas), Snap Beans, Turnip Greens.

AFTER Seeding or Transplanting: Cantaloupes, Cucumbers, Watermelons. Apply after plants have developed 5 or more leaves.

AFTER Planting: Potatoes - May be applied after planting, before or after emergence. Use care not to damage seed pieces in cultivating nor allow treated soil to contact emerged plant foliage.

BEFORE Transplanting: Celery, Broccoli, Brussels Sprouts, Cabbage, Cauliflower, Eggplant, Peppers, Onions, Tomatoes.

Perennial Vegetables: Asparagus - Apply prior to spear emergence of established plants.

Not for Use on Lawns

KEEP OUT OF REACH OF CHILDREN

CAUTION

ACTIVE INGREDIENT:
 Trifluralin 1.47%
 OTHER INGREDIENTS: 98.53%
 TOTAL 100.00%

GreenView Preen with Weed Preventer is Suggested for Use Around These Established Plants

Bulbs, Flowers, Ground Covers & Ornamental Grasses –

Aaronsbeard	Daisy: African, Painted, Shasta, Trailing African	Impatiens	Portulaca
Alyssum	Daylily	Iris, Bulbous	Rockrose
Arctotis	Descampsia	Ivy: Algerian, California, English, Needlepoint	Rose
Aster (perennial)	Dianthus	Ixora	Rudbeckia
Aster, Stoke's	Dusty miller	Jasmine: Angelwing, Asaian	Rupturewort
Baby's breath	Fern, Asparagus	Lamb's ears	Salvia
Balsam	Fescue, Blue	Lavender, English	Silver mound
Beard tongue	Floss flower (Ageratum)	Forget-me-not	Snadragon
Bee balm	Four o'clock	Lily turf: Big blue, Green/creeping, Lilac beauty, Magestic, Silvery sunroof, Variegated	Snow-in-the-mountain
Begonia	Gayfeather	liriope, White	Speedwell
Bellflower	Gazania	Lily-of-the-nile	Spurge, Japanese
Black-eyed susan	Geranium	Lobelia	St. John's wort
Bleeding heart	Germander	Lupine (Lupinus)	Statice
Bunge	Geum	Marigold	Stock
Calendula	Golden glow	Marigold, Cape (Dimorphotheca)	Stoncrop (Sedum)
Calliopsis	Grass: Beech, Dwarf	Morningglory	Strawberry, Beach
Cape weed	Mondo, Eulalia, Fountain, Mascarene, Mondo, Pampas, Ribbon, Zoysia	Myoporum	Sunflower
Carex, Variegated	Guara	Narcissus	Sweet alyssum
Carnation	Hakonechloa, Golden	Nicotiana	Sweet pea
Carpet bugle (Ajuga)	Hollyhock	Ozark sundrop	Sweet sultan
Ceanothus	Hosta, Albo-marginata	Periwinkle (Vinca)	Sweet william
Centaura, Velvet	Hyacinth	Peter Pan, Dwarf	Thrift
Chrysanthemum	Ice plant: Largeleaf, Trailing, Trailing rosea, White	Petunia	Tickseed
Coneflower, Purple		Phlox	Tulip
Coral bells		Pincushion flower (Scabiosa)	Verbena
Coreopsis		Plumbago, Dwarf	Wire plant
Cornflower, Purple		Poppy, California	Wirevine, Creeping
Cosmos			Yarrow (Achillea)
Cotoneaster			Zinnia
Coyote bush, Dwarf			
Crown vetch			
Daffodil			
Dahlia			

Shrubs –

Abelia: Edward Goucher, Glossy	Broom: Hollandia-warminster, Lena-Scotch	bell, Mediterranean pink, Spring torch scotch	Plumbago
Acacia: Abyssinica, Prostrate, Shoestring	Camellia: Japanese, Sasanqua	Hibiscus, Ross Estey	Privet
Andromeda, Japanese	Cassia, Feathery	Holly	Red Cedar, Eastern
Arborvitae: American, Aureus nana-dwarf golden, Emerald, Globosa-globe, Little giant-dwarf, Minima glauca-dwarf, Nigra-dark American, Pyramidalis-pyramid, Rheingold, Techny	Cherry: Carolina laurel, Dwarf pink flowering almond	Honeysuckle: Cape, Trumpet	Rhaphiolepis: Charisma-Monuce, Enchantress-Moness, Roundleaf, Springtime-Monme
Azalea	Cinquefoil	Hopseed bush	Rhododendron
Bamboo: Compacta-dwarf, Harbour dwarf-heavenly, Heavenly, Nana-compacta-heavenly, Nana purpurea-heavenly, Woods dwarf heavenly	Cleyera, Japanese	Ixora	Robira
Barberry: Atropurea-redleaf Japanese, Aurea-golden Japanese, Crimson pygmy, Japanese, Merito, Rose glow, William Penn	Cotoneaster: Bearberry, Cranberry, Himalayan, Praecox-early, Pyrenees, Rock, Zabel	Jessamine, Carolina	Rose
Bottlebrush: Lemon, Weeping	Coyotebush	Juniper	Rose of Sharon: Heart, Red bird, Woodbridge
Bougainvillea: Barbara Karst, California gold, Pink pixie, Scarlett O'Hara, Temple fire, Texas dawn	Cypress: Filifera-thread, Kosteri, Nana-dwarf Hinoki, Torulosa	Lantana	Sakaki
Boxwood: Common, Harlands, Japanese, Korean, Littleleaf	Daphne, Fragrant	Laurel: American Cherry, Mountain	Silverberry
	Deutzia	Leaf: Copper, Salal/lemon	Silkmia: Japanese, Reeve's
	Dogwood: Bailey red osier, Flaviramea-yellow-twig, Sibirica-Siberian	Leucothoe: Coast, Drooping	Smoke Tree: Royal purple, Coral beauty, Eichholz
	Eleagnus	Lilac: Common, Chinese, Wild	Spiraea: Anthony Waterer, Bridal wreath, Dolchia, False, Japanese alpine, Shirobana, Vanhoutte
	Euonymus: Canadale, Emerald n gold, Silver king, Spreading, Sunspot, Variegated evergreen, Winged, Wintercreeper	Lily-of-the-Valley: Forest flame, Mountain fire, Snowdrift, Temple-bells, Valley rose, Valley valentine	Sumac, African
	Fern: Tassel, Japanese painted	Mahonia: Creeping, Leather leaf	Summersweet
	Firethorn (Pyracantha)	Maple: Amur, Coral bark Japanese, Dwarf Japanese	Sweetenspire, Henry
	Forsythia	Mock orange	Garnet holly leaf
	Gardenia: August beauty, Mystery, Radican	Myrtle: Crape, Wax	Viburnum
	Guava, Pineapple	Oleander: Hardy red, Ruby lace	Weigela
	Hawthorn, India	Osmanthus, Fortunes	Willow
	Heather: Comish, Purple	Palm: Areca, Chinese fountain, Christmas, Pigmy date, Sago	Woodwaxen
		Photinia, Fraser's	(Flowering, Serotina)
		Pieris Japonica	Xylosma
		Pine, Muggo-mugho	Yew: Anglojap, Plum, Upright Japanese
		Pittosporum: Green, Japanese, Wheeler's dwarf	Yewpine
			Yuca

Trees –

Ash: Shamel, White	Redgum, Red ironbark, Silver dollar	Tangerine-flowering, Vesuvius red-flowering	Sourwood
Birch: European white, Paper, River	Ficus, Mini	Mesquite, Chilean	Spruce: Colorado, Dwarf Alberta, Dwarf globe blue, Glauca-Colorado blue, Hoopsii-Hoop's blue, Koster-Koster blue, Norway, Pendula-weeping Norway, Repens-spreading Norway, White
Blackgum	Fir: Balsam, Douglas, White	Oak: Bear, Live, Pin, Red, Scarlet, Willow	Sweetgum, American
Bottle tree	Florida anise tree	Palm: Mexican fan, Parlor, Queen	Sycamore: American, California
Carrot wood	Ginkgo-maidenhair tree	Pine: Austrian, Beach, Bosnian, Bristlecone, Canary Island, Columnnar Scotch, Eastern white, Eldarica, Japanese black, Loblolly, Monterey, Pumlilio-shrubby swiss mountain, Red, Scotch, Shore	Tab, Yellow
Cherry, Yoshino flowering	Hawthorn, Green	Planetree, London	Toyon
Coolibah tree	Hemlock: Canada, Eastern	Podocarpus	Tuliptree
Cottonwood	Larch, Japanese	Redbud, Eastern	Willow
Cypress: Arizona, Bald, Filicoides-femspray, Gracilis-slender Hinoki, Squarrosa-moss, Swara laise	Linden	Sequoia, Giant	
Dogwood: Cloud nine, Flowering, Koussa	Locust: Black, Honey, Shademaker honey		
Elm, Chinese	Magnolia		
Eucalyptus: Mealy,	Mahogany		
	Maple: Albus-flowering, Flame, Luteus-flowering, Norway, Red, Red Sunset, Roseus-flowering, Silver, Sugar,		

Fruits and Vegetables –

Asparagus	Cauliflower	Kale	Potatoes
Broccoli	Celery	Lentils	Radishes
Black-Eyed Peas	Collard	Lima Beans	Southern Peas (Cow Peas)
Brussel Sprouts	Cucumbers	Mustard Greens	Snap Beans
Cabbage	Eggplant	Okra	Tomatoes
Cantaloupes	Field Peas	Onions	Turnip Greens
Carrots	Green Peas	Peppers	Watermelon

Nonbearing Fruit and Nut Trees and Plants[†] –

Almond	Currant	Loganberry	Pomegranate
Apple	Dewberry	Macadamia nut	Prune
Apricot	Elderberry	Mulberry, White	Rasperry
Avocado	Fig	Nectarine	Tangelo
Banana	Filbert	Olive: Black, Russian	Tangerine
Blackberry	Gooseberry	Orange	Walnut: Black, English
Blueberry	Grape: American, European	Peach	
Carob	Grapefruit	Pear	
Cherry: Sweet, Sour	Kiwi	Pecan	
Chestnut, Chinese	Lemon	Pistachio	
Crabapple		Plum	

[†] Nonbearing fruit and nut trees and plants are defined as plants that will not bear fruit for at least one year after treatment.

Storage and Disposal

Do not contaminate water, food or feed by storage and disposal.
PESTICIDE STORAGE: Store product in its original container in a cool, dry, locked place out of the reach of children and animals.
PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container.
 If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

GUARANTEE
